

### **A Note Concerning After-Life in the Esoteric Philosophy of The Order of Nine Angles**

While the esoteric philosophy and praxis of The Order of Nine Angles has recently come to the attention of certain academics [1] one aspect of the ONA has so far gone almost unnoticed, even among many aficionados of the ONA. This is the ONA assumption of an afterlife, in the acausal dimensions, and which afterlife is an important, if not to say, crucial, part of their esoteric, their Left Hand Path, philosophy [2].

According to the ONA:

"...the very purpose and meaning of our individual, causal - mortal - lives is to progress, to evolve, toward the acausal, and that this, by virtue of the reality of the acausal itself, means and implies a new type of *sinister* existence, a new type of being, with this acausal existence being far removed from - and totally different to - any and every Old Aeon representation, both Occult, non-Occult and "religious". Thus it is that we view our long-term human social and personal evolution as a bringing-into-being of a new type of sinister living, in the causal - on this planet, and elsewhere - and also as a means for us, as individuals of a new sinister *causal* species, to dwell in both the causal and acausal Universes, while we live, as mortals, and to transcend, after our mortal, causal "death", to live as an acausal being, which acausal being can be currently apprehended, and has been apprehended in the past, as an immortal sinister being of primal Darkness. " Anton Long. *The Quintessence of the ONA: The Sinister Returning* 119 Year of Feyen

This new, acausal, existence is, however, not a certainty, and nor is it given by some entity or some type of being, acausal or otherwise, be that entity named Satan or Baphomet, or whatever. Instead, this afterlife has to be achieved, by the individual, in this mortal - that is, this causal - existence of ours, by practical deeds done, with great emphasis being placed on the practical nature of such deeds. According to the ONA:

" ...we possess the ability - the way, the means - of gaining for ourselves more acausal energy, of evolving and thus increasing our own acausal energy, and thus of transcending to live in the acausal continuum.....

One secret of our darkly-numinous wyrd is that our mortal, causal, life is not the end, but only a beginning, and that if we live and die in the right way, we can possibly attain for ourselves a life in the realms of the acausal. Our Law of The Sinister-Numen is the most practical way for us to do this, to achieve this, for this Law is a manifestation, a presencing, of acausal energy, and by living in accord with this Law we are accessing, and presencing within ourself, more acausal energy, and thus evolving and increasing our own type of acausal energy." *A Brief Guide to The Esoteric Philosophy of The Order of Nine Angles*. Dated 121 Year of Feyen

As to the nature of this new acausal existence which members of ONA tribes might be able to gain for themselves, the ONA says that, currently, we possess neither the language, nor the words, to adequately describe it, although it can be glimpsed - we can acquire intimations of it - if we, for instance, develop our faculty of what the ONA call acausal-empathy, and also if we presence and come to have some knowledge of (by Dark Sorcery), certain acausal entities [3].

### **The Dark Warrior Nature of the ONA**

This afterlife is, for the ONA, inseparably bound up with the ONA's Law of the Sinister-Numen and thence with the ONA's sinister tribes. Indeed, one might with confidence state - as the ONA themselves do - that their Way is fundamentally the Way of the Dark Warrior, one of whose primary aims is to fight, in a practical way, for the creation of, and ultimately on behalf of, what

the ONA calls The Dark Galactic Imperium.

" Our most fundamental and long-term practical goals are to create an entirely new, more evolved human species, and for this new human species to explore and to colonize the star-systems of our own, and of other, Galaxies - to thus create a Dark Galactic Imperium. " *A Brief Guide to The Esoteric Philosophy of The Order of Nine Angles.*  
Dated 121 Year of Feyen

For the ONA there is a certain scorn of death:

" Thus do we know - thus do we feel - that death itself is irrelevant, an illusion, a mere ending of a mere causal existence, and that it is what we do with the opportunities that this, our causal life, offers and can offer us, that is important. Thus we do not fear death, and instead defy it, just as we seek to defy ourselves - what we are, now - and just as we seek to defy the mundanes and all those causal restrictions, those causal forms, that they have created to make them feel safe, and secure and content with their mundane un-warrior like merely causal and thus un-numinous existence. " Anton Long, *Dark Warriors of The Sinister Way.*

In the ONA's *Law of the Sinister-Numen* it is stated that:

For us, our honour is more important than our own lives, and it is this willingness to live and if necessary die for and because of our honour that makes us strong, fearsome, and enables us to live life on a higher level than any mundane. For it is through honour - through our fearlessness, our scorn of our mortal death - that we come to exult in Life itself.

This defiance of death is the warrior creed, *par excellence*, and what makes it dark, or sinister, is that such warriors are of a unique kind, dedicated to their own tribe, and pursuing not only their own goals, but also the sinister aims of the ONA itself, one of whose stated aims is:

"...to aid, encourage, and bring about - by both practical and esoteric means (such as subversion, revolution, and Dark Sorcery) - the

breakdown and the downfall of existing societies, and thus to replace the tyranny of nations and States, and their impersonal governments, by our new tribal societies and our Law of the Sinister-Numen. "

According to the ONA, if a person lives - and if necessary or in particular dies - according to The Law of The Sinister-Numen, they are increasing their own amount of acausal energy, and thus enlarging the nexion that they are, and can be, to the acausal. Thus, by living and if necessary dying as a warrior, according to The Law of The Sinister-Numen, a person can not only forge for themselves a new type of nexion to the realms of the acausal, but also pattern, strengthen, and control their own acausal energy (that which gives them their causal life) to such an extent that they evolve, after their mortal death, to become an entirely new type of being, beyond the human.

Thus, while on first consideration such an afterlife may appear as somewhat irrational and mystical, it is in fact a logical and indeed a necessary deduction arising from the fundamental axioms of the ONA's esoteric philosophy.

## **Conclusion**

While it may seem somewhat strange that a sinister, a Left Hand Path, an organization known as Satanist, should speak and write of an afterlife, such an afterlife - or rather, their unique kind of afterlife - is quite consistent with both their esoteric philosophy, their ontology, and their praxis. For their philosophy is based on the axiom there existing an acausal Universe, an acausal continuum, and of there existing, in this acausal Universe, acausal beings. In addition, according to the ONA, it is acausal energy, from the acausal, which animates all causal life, including ours.

Furthermore, it is perhaps this belief in such an afterlife - attainable it seems only by dark warriors doing warrior deeds, and dying heroically in pursuit of dark aims - which not only further distinguishes the ONA from all known esoteric groups, but will also facilitate the spread of both the ONA itself, and its subversive esoteric philosophy.

To have people willing to die because of their belief in such an afterlife [4], surely makes the ONA far more sinister than most people already consider it to be.

(4) In one document produced by an underground ONA sect (that is, nexion) it is stated that:

We are of and are called to The Dark Way because we identify with, and we yearn for, the acausal spaces - the acausal realms themselves, which are, to us humans, Dark; beyond the illumination we know from our star, the Sun, and beyond the artificial illumination we have manufactured to light our brief mortal living on this planet we named Earth. We are Dark, here, because it is where we can go - where we can transcend to if we live and die in the rightway - where we are the very illumination that lives there; we are, we become, the very light that travels, traverses, that lives - immortal - within the pure undefiled darkness of the dark acausal spaces. We become acausal stars Galaxies of stars - travelling where we will among the infinite darkness, bringing into being by our very travelling, our very existence there, new life both causal and acausal and in both the

realms of the causal and acausal spaces. Thus do we, thus can we, become of those Dark Immortals - the Immortals of the dark acausal realms, and thus can we seed the darkness of both causal and acausal with our immortal living light, bringing thus, causing thus, being-thus, evolution itself. *Warriors of The Dark Way*

While this may not be, or represent, official ONA policy - if indeed the ONA have official policies - it certainly does seem to capture something of the spirit that might motivate such Dark Warriors.
